

I live in Great Falls and am assigned to the Church of the Incarnation.

My outreach ministry includes ecumenical and interfaith work with several organizations. I am honored to represent the Diocese of Montana at Montana Association of Christians. I also serve with the Great Falls Ministerial Association, the Great Falls Interfaith Association, the Progressive Clergy Network, and the Downtown Samaritans, a group of downtown Great Falls churches.

With a background in nonprofit work, I serve on the boards of two local organizations: the YWCA, which sponsors the Mercy Home (our domestic violence shelter), and the Great Falls LGBTQ+ Center.

I was the first verger in our diocese and while no longer a verger (vergers are lay people), I am still a Fellow of the Vergers Guild of the Episcopal Church. I strongly support this ministry, as vergers are a real asset to the clergy and people they serve, from the smallest parishes to the largest.

I am a widow and have two adult children and three grandchildren, all living out of state. Thank goodness for Skype!

I was ordained on May 18, 2014, at St. Peter's Cathedral in Helena.
